- Policy on purchasing clay
 - **Club policy on purchasing clay:** Members may purchase up to 2 bags of our on-hand clay at a time. Special orders for clay may not exceed 100 pounds, and the member must purchase the full 100 pounds. If less than 100, the member will pay full price since we don't get a discount for less than 100 pounds from our supplier. Members making special orders may be required to pick up their clay if it's not feasible to include it with our routine pick-up or delivery options. There may be special circumstances for quantities of clay to purchase at the end of peak season which would be dependent on our inventory. Grand Charter Clubs are not to be used as a distributor of supplies, so we cannot allow larger purchase orders for clay. Members can process larger orders directly with our supplier or via online options from manufacturers.
- Holiday Bazaar Dec 3rd 3pm-6pm
- Bob Mohr 2025 award procedure
- Expansion update
- Other
- Raffle
